EYES RIGHT.

Brag's a good dog,
But Holdfast is better.
THE undersigned would return his sincere and humble thanks to the citizens of Bloomsburg and vicinity, for the favor that has bestowed upon him, and would still further ask a continuance of the same, so long only as satisfaction is rendered. He would not say, *Come one come all*, but come as many as conveniently can. Neither would he promise, (as others have,) to do his work better than can be done in any other shop in the place—but in short, he would neither brag nor banter, but defy any one who does brag to do work nearer that he does, in all cases. He has also lately received the late

NEW YORK & PHILADELPHIA FASHIONS.

with which he is prepared to do work Fashionable and neat, and will guarantee a good fit at all times for any one who may favor him with a call.
His shop is at the old stand occupied by him for a number of years—And the latch string will be found out at all times. As to prices he wishes to be understood that he intends to do work as low as any of his neighbors, and as usual, all kinds of country produce taken in exchange for work done at his shop.
BERNARD RUPERT,
Bloomsburg, October 12, 1844—25.

No Humbug!

CHARLES KANLER
Tailor.

EMBRACING the present opportunity of expressing his thankfulness to his friends, and the public generally, for the liberal patronage he has heretofore received, informs his friends and the public in general, that he still continues to carry on the above business at his old established stand, on the corner of Main and East streets, where he hopes, by strict attention to business, to receive and merit a share of public patronage as heretofore. He deems it unnecessary to go into the game of brag, or to use any soft adder about his SKILL in the **PROFESSION OF GARMENT CUTTING** as his shop is of long standing, and his work he thinks will speak for itself, and far more loudly than words. But, he would merely say that, he warrants his work done with neatness, durability, and in the latest fashionable manner, and will ensure a good fit in all cases.
N. B. Charges moderate to suit the times. All country produce taken in exchange for work, at market price.

In fact, whatever offer is made, by any other Family Journal, at all approaching in worth, beauty or pretensions, to the Saturday Courier, will be furnished by us.
The Courier has become so well and favorably known through a triumphantly popular course of fourteen years, that it would be superfluous to say much on that subject here. We may remark, however, that to the industry, talent and enterprise which have for years kept this paper a bright exemplar for all its imitators, will constantly be added the productions of every available writer, and continued judicious and liberal expenditures will continually be made, as well in the Literary as the Typographical departments. Our means will always enable us to be in advance of all others, and we shall so.

Histories of Modern Republics.
A new and important announcement for the coming year, in addition to our already numerous popular features, will be a series of Condensed Histories of Modern Republics, by a fresh and vigorous writer who will impart a world of important instruction to the rising generation, in this new and entertaining Romance of History.

Biographies and notices of Distinguished Literary and Scientific Men.

Among the interesting essays and sketches of value, which we shall continue to present in the Courier, will be a full and interesting account of the rise, progress, and present elevated standing of all distinguished men, of the Past and Present, (at home or abroad,) in all departments of Art, Science, Literature, Statesmanship, Poetry, Mechanics, Planting, Agriculture, Printing, Merchandize, &c. This will be a very interesting feature for the Young. It will be a department of the Courier which it has ever been our aim to render of inestimable value to those for whom we feel so deep an interest as we do for the Young Men of our great and growing Country. The Lives of Distinguished Men are of much value to those who are yet forming their own characters; for the purpose of enacting their parts, correctly, on the Great Stage of Human Life.

Indeed, we hope that this Department of the Courier will be worth more (each year) to every family who have sons and daughters to be reared, than five times the amount we ask for a year's subscription to the Saturday Courier.

POPULAR TOPOGRAPHY.

To gratify the growing appetite for a better knowledge of the important features of our great and glorious country, our past exertions shall be redoubled in future, to present vivid pictures of American cities, towns, mountains, lakes, rivers, castles, scenery, &c. Our original domestic Tales, Essays, Poems, &c. will continue regularly to be furnished by the minds and pens in the country. These classic productions are acknowledged to be the best, for useful instruction at the family fireside, that appear in any periodical.

Our **EXERCISES** comprise subjects in all branches of Art and Nature, suitable for the family circle, and appear in rapid succession.

OUR TRAVELLER is constantly traversing the world, in search of the wonderful and instructive.

Our **AGRICULTURIST** occupies weekly an important space, with all matters of interest for the noble tillers of the soil.

Our **European Correspondents**, in Liverpool, London, Ireland, the East, &c. keep us regularly advised of all subjects of special interest.

Our **Markets and Prices Current** embrace all the earliest advices in reference to the prices of all kinds of Grain, Produce, &c., the state of Stocks, Banks, Money, and Land's, and our extensive arrangements will hereafter render our Prices Current of inestimable value to the Traveller, Farmer, and all Business Classes whatever.
